X Factor star Louis Walsh and I worked to create his self-help guide to success in the music business in 2007.

A large format book in full colour, it features a foreword by Louis' X Factor co-star, Sharon Osbourne.

This 256-page book, an in-depth guide to the music business, was represented by HHB Literary agency in London and was snapped up by Transworld UK in 2007 to be published in hardback and paperback.

Showbiz supremo Walsh embarked on a major publicity tour for Transworld and promoted the book extensively on TV shows in the UK and Ireland.
